& EAT**

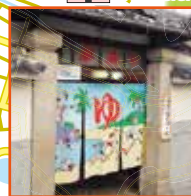

PERON CASTLE

Peron castle is the red Chinese-style building along the sea.
Peron castle has a Japanese-food restaurant, a gift shop featuring local specialties and a natural hot spring.
The Peron ship for which it is historically named is stored here, and it can be seen freely.
There is a 24 hour supermarket, one hundred yen shop, home improvement center, fast food restaurant and Japanese-food restaurant across the street.

GUIDE OF AIOI FOR TOURIST

Profile of Aioi City

Population : 30,000 Area : 90km²

By JR Line / Shinkansen
from Himeji 20min/10 min.,
to Osaka 80min/50min.

Only 2km to the seaside from
the station.

Aioi Station & Front area

Inside the station, a Shinkansen train passes at 300 km/h in front of you. A peron boat is exhibited in the Shinkansen concourse.

You can go by a taxi, bus, bicycle or foot to the seaside / downtown. Three hotels are available near the station. There is a variety of restaurants to choose from.

Aioi Station

Downtown (Asahi area)

Shops, supermarkets, and restaurants are available in this area. Credit cards are accepted only in the supermarkets.

Restaurant options include YAKINIKU, YAKITORI, Chinese food, etc. You can also visit one of the many bars afterwards. There is a house for stone Buddhist images near the entrance of the arcade.

Arcade

Peron castle

There is a market (open 9:00-17:30 every day), restaurants (open 10:30 – 20:30 closed on Tuesday) and a hot spring (open 10:30 – 21:30 closed on Tuesday).

Shopping in the market

Fresh fish market and restaurant

Open 9:30 – 16:00 closed on Wednesday

You can enjoy seafood BBQ or fresh fish. Among them Kaisen-don (a bowl of rice topped with sashimi) is well reputed. During the winter season fresh oysters grown in Aioi Bay are served.

Fresh oysters

A seaside walk from the Peron castle to the Fish market

Cross the Aioi Bridge to the Port Park. The Peron festival widely known as the dragon boat race is held at the end of May. Before the Ohtani Bridge to the fish market, you will see a stone monument through which a bowl shaped island can be seen.
